E-mail address:		
Description and height of display racks, shelving, tables	<i>Our concerns are protecting the floor and placing very tall displays so they don't block view of the stage. You must use rubber discs, foam, rugs or some other protection if your display equipment has sharp or protruding feet that can damage the hall floor.</i>	

Reservation and cost:

X	Type of booth	Cost each	Total
	Large – approximately 10' wide x 10' deep	\$45	\$
	Electric	\$5	\$
	Will you be providing your own tables? If not, table rental is \$5 per 8 ft x 3 ft table. Church tables are hard plastic tabletops with metal frame and legs. How many tables to rent?	\$5 each	\$
Total			\$

I have read the vendor guidelines summary and agree to its restrictions _____
